 - reside permanently in NSW, and
 - receive the Age Pension or Disability Support Pension on the basis of blindness from the Department of Human Services (DHS), or
 - have been assessed by an ophthalmologist (or optometrist in rural and regional areas) as having:

Section D – Opal card request

If you wish, in addition to applying for a Vision Impaired Person's Travel Pass, you can also request an Opal card for yourself and your attendant which you can use for accessing free travel in the Opal network. It is not compulsory to have an Opal card and if you prefer, you can still use your Vision Impaired Person's Travel Pass to travel instead. In this case, when travelling to stations or ferry wharves with gates, you will need to show your Vision Impaired Person's Travel Pass to staff who will manually open the gates for you.

Having a free travel Opal card simply means that you will be able to use it to open the gates at stations and wharves without the assistance of staff. You must also carry your Vision Impaired Person's Travel Pass when travelling as proof of your entitlement.

The Opal Terms of Use that apply to the Opal card are available at transportnsw.info/tickets-opal/opal/opal-terms-of-use. The free travel Opal card is a non-reloadable card.

I would like a free travel Opal card for myself and my attendant *(if applicable)*.
