

Buses replace trains on the T4 Illawarra Line

From 24 December 2019

Buses replace trains on the T4 Illawarra Line

Stations between Hurstville and Central, along the T4 Illawarra Line, will temporarily close between 24 December and 28 December 2019 for track maintenance work at Sydenham junction over the quieter holiday period.

During this time, extra buses will operate between Wollongong, Cronulla and Central stations to keep customers moving.

Bus services will also replace trains between 10:00pm and 2:00am each night on 30 December 2019, and 1, 3, 4 and 5 January 2020.

Key features of the temporary transport plan:

- Frequent express and limited stops bus services during peak and off periods for trips between Wollongong, Cronulla and Central stations

- Evening bus services to reflect customer demand
- Low floor accessible buses provided on majority of services
- Bus marshals or station staff will also be available at some station locations during the busiest parts of the day to provide assistance to customers with accessible needs.

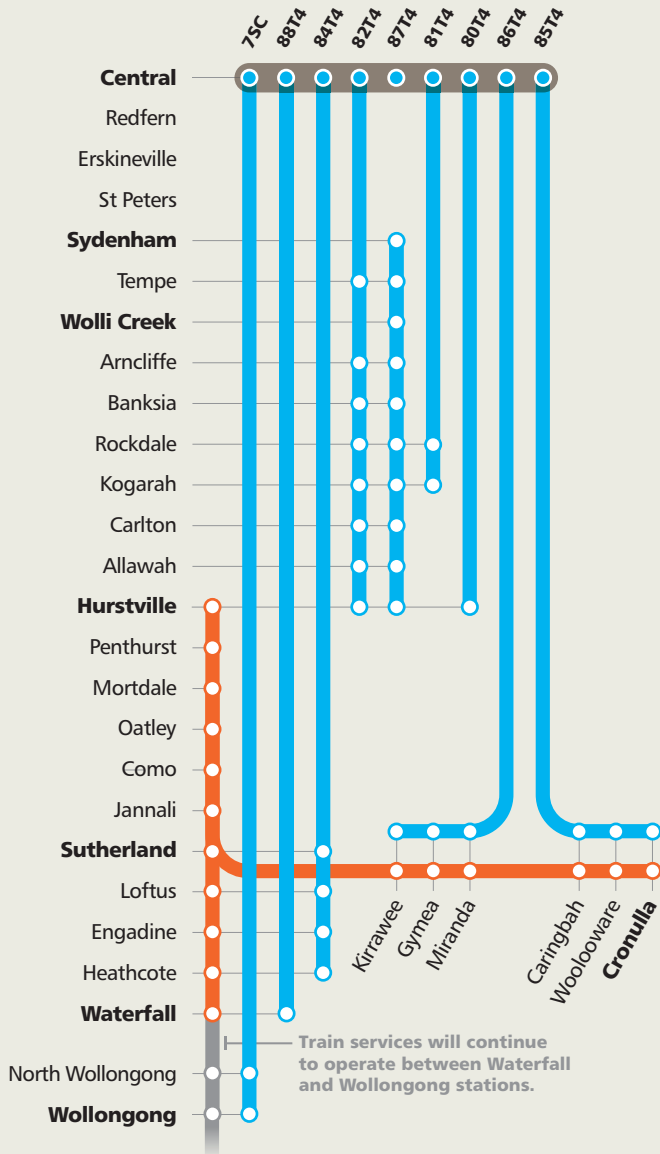

Temporary changes to parking will be required at some stations along the T4 Illawarra Line for temporary bus zones and for the safe operations of buses. Information about temporary parking changes is available at mysydney.nsw.gov.au/T4Illawarraparkingchanges

| T4 Eastern Suburbs and Illawarra Line Temporary Closure | Travelling towards City | Travelling towards Cronulla / South Coast |
