Southwest transport changes

M1

M1 Metro between Chatswood and Sydenham now open

T3 T8 T6

From 30 September 2024, the T3 Bankstown Line is closed between Sydenham and Bankstown for metro conversion work.

- Southwest Link buses provide a high-frequency bus service between Sydenham and Bankstown stations for 12 months.
- T3 Liverpool & Inner West train service introduced from Liverpool to the City, via Lidcombe.
- From 19 October 2024, the new T6 Line operates between Lidcombe and Bankstown.
- St Peters and Erskineville stations are serviced by the T8 Airport & South Line.

Local travel options

Going to Redfern?
It'll take approximately 33 minutes by bike – follow the pink wayfinding signs.

Plenty of bike parking
There are now 120 bike parking spaces at Sydenham Station, including 90 secure spaces.

Sydney Metro is now open
Sydney Metro is now open from Sydenham, providing direct services to the City, Victoria Cross (for North Sydney) and Macquarie Park.

Making it easier to ride
We're upgrading the riding and walking route between Marrickville and Sydenham stations – it'll take approximately 7 minutes to ride to Marrickville, or 20 minutes to walk.

Want a different way to the city?
The 423 bus will take you to Newtown Station in about 22 minutes. From there, change for T2 or T3 trains to reach the City.

Heading to the City?
Change at Sydenham for new Metro services or for T4 and T8 trains.

Southwest Link Buses to Bankstown
The SW1 bus will take you to Campsie in about 24 minutes and Bankstown in about 49 minutes.

Southwest Link Buses to Sydenham
The SW1 bus will take you straight to Sydenham Station in about 6 minutes.
