### Southwest transport changes

M1 Metro between Chatswood and Sydenham now open

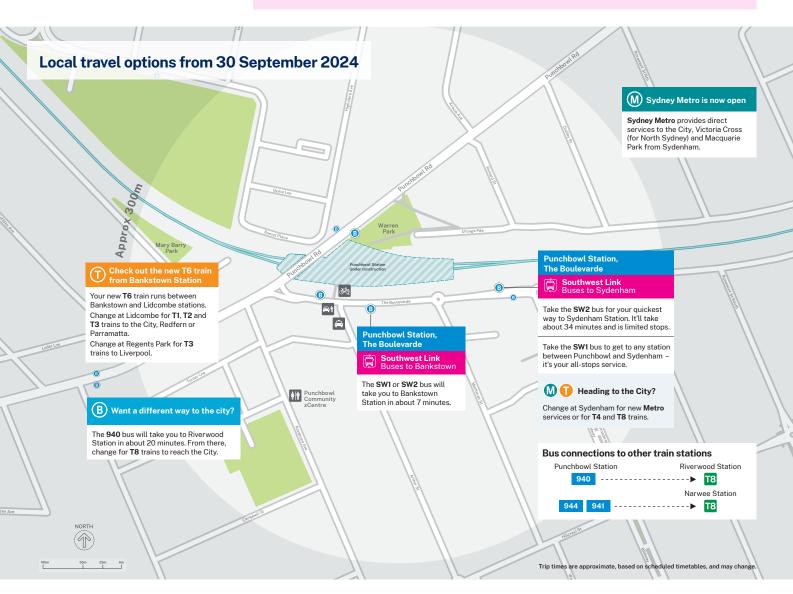

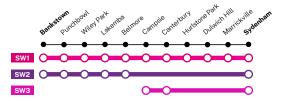

From 30 September 2024, the T3 Bankstown Line is closed between Sydenham and Bankstown for metro conversion work.

- · Southwest Link buses provide a high-frequency bus service between Sydenham and Bankstown stations for 12 months.
- T3 Liverpool & Inner West train service introduced from Liverpool to the City, via Lidcombe.
- From 19 October 2024, the new T6 Line operates between Lidcombe and Bankstown.
- · St Peters and Erskineville stations are serviced by the T8 Airport & South Line.

## Southwest Link bus services and frequencies

Every 2 to 4 minutes during peak periods At least every 10 minutes across most of the day

At least every 15 minutes late at night

Accessible low floor buses will be used across Southwest Link bus routes.

Access to the Southwest Link bus stops from the southern entrance of the station from Punchbowl Road is steep and narrow, consider alternative stations if you have limited mobility.

## Discover more ways to walk or ride

We're introducing lots of ways to make your walking or riding experience easier during these transport changes.

Visit transportnsw.info/southwest-link/activetransport to get bike route maps, tips for your trips, and sign up for free courses and local events.

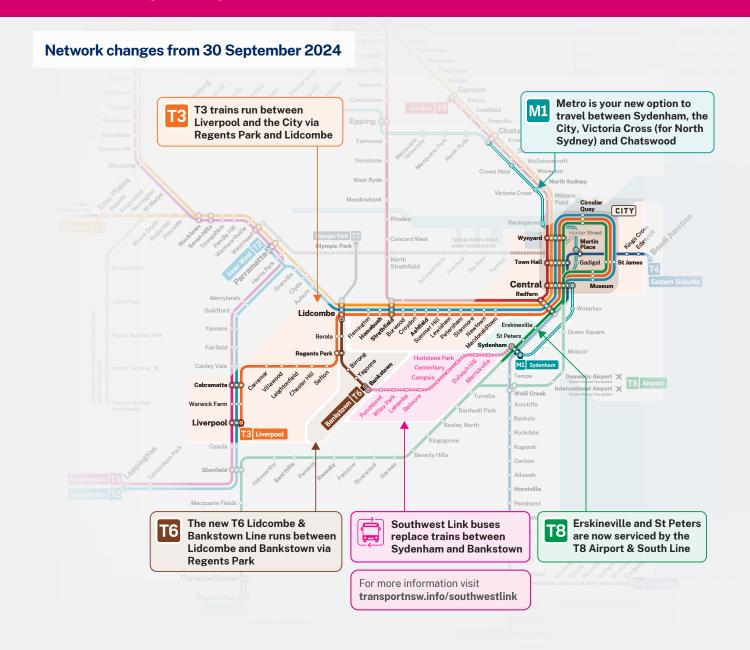

🚺 Travel on Southwest Link buses is fare free.
