Bus service changes in the Eastern Suburbs from November 2026

Fact sheet

November 2026

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

From Sunday 15 November 2026, Transport for NSW (Transport) will introduce some changes to bus services in the Eastern Suburbs.

Why are these changes happening?

The NSW Government is investing in and improving bus services across greater Sydney, outer metropolitan and regional NSW to better connect communities with jobs, education, health services and major transport hubs.

From 15 November, we are making a number of bus service changes across the Eastern Suburbs to improve service frequency, deliver Government commitments, extend operating hours, enhance connections across the public transport network and better meet customer demand.

The service changes are addressing the rise in demand for more bus services across Sydney and regional NSW, with a focus on increasing the number of services and accelerating the rollout of new buses on roads across NSW.

What are the changes?

Key changes include:

- Restoring route **378** as a direct connection between Bronte and Sydney CBD This will combine the existing route **389 Bondi Junction to Pyrmont** with the Bronte section of route **379 North Bondi to Bronte**. Passengers currently using the 379 to connect from North Bondi/Bondi will need to interchange at Bondi Junction to reach Bronte.
- Late night services will receive a boost with routes **343 Kingsford to City Circular Quay** and **370 Coogee to Glebe Point** now operating 24/7, supporting greater access to jobs, education and entertainment.
- Residents in Clovelly will have access to more services with route **339X Clovelly to City Museum** express extending its operating hours and adding extra trips at busy times.
- Route **373 Coogee to City Museum** will be extended to Circular Quay, providing passengers with better access to the northern end of the Sydney CBD. An extra 25 trips per week will also help increase capacity and peak service frequency.
- The 1:10pm service on route **342 Daceyville to Kingsford** between Southern Cross Care Daceyville Residential Aged Care and Kingsford shops will be withdrawn due to low passenger demand.

Will school services change?

Yes, some school bus routes and timetables will change to better match student travel patterns. Where services are withdrawn, alternative bus services will continue to be available. Students may need to use a different service. Bus Operators will communicate these changes directly to schools.
