You have the option of requesting either a refund of the Opal Balance of your reloadable Opal Card or if the Opal Card is registered, transferring the Opal Balance to another Opal Card. We do not provide refunds or balance transfers for unregistered Opal Cards that are lost or stolen.

This section does not apply to a Single Trip Ticket refund and transfer which is addressed in section 4 below) or a Transactional Error (which is addressed in section 5 below) or to Opal Digital Card refund and adjustment (which is addressed in section 7 below):

A. Refund

Entitlement

Subject to the Opal Refund and Balance Transfer Policy criteria listed below, you may claim a refund of the Opal Card Balance of a registered or unregistered Opal Card.

For you to receive a refund, the Opal Card must be:

- **Faulty:** the Opal Card is Faulty;
- **Damaged:** the Opal Card is Damaged;
- **Unwanted:** you no longer want to use the Opal Card;
- **Terms of Use:** you are permitted to do so by the Opal Terms of Use; or
- **Expired:** the Opal Card or any associated entitlement to concession travel has expired.

Conditions of Refund

We will issue refunds on the following conditions:

- (a) **Return the Opal Card with an Opal Refund Form:** You must return the physical Opal

Card for which a refund is claimed by sending that Opal Card together with a signed and completed Opal Refund Form to the Opal Return Address. If your Opal Card is registered, the name on the Opal Refund Form must match the name in the customer profile under which that Opal Card is registered unless you are applying for a refund on behalf of a deceased estate or are the parent or guardian of an Opal Card belonging to a child under the age of 16. If you are applying for a refund for a deceased estate, you will need to provide us with a copy of the death certificate or funeral notice and confirm that you have authority to act on behalf of the estate by completing the “Opal card refund for deceased estates form”.

- (b) **Provide true, accurate and up to date information:** You represent and warrant that the information provided in the Opal Refund Form is true, accurate and up to date.
- (c) **Refund to bank account:** Refunds will be made to the Australian bank account specified in the Opal Refund Form that accompanies the returned Opal Card. If there is no Australian bank account specified in that Opal Refund Form, your refund will not be processed. Please contact Opal Customer Care for further assistance.
- (d) **No refunds in cash or by credit card:** No refunds will be made in cash or to a credit card account.
- (e) **Balances not funded:** No refunds will be made of any balance that was not funded by you or any other customer.

- (g) **Cancellation of Opal card:** The Opal card for which a refund is sought will be cancelled.
- (h) **Fees:** Where any information you provide on the Opal Refund Form is incorrect and we incur a bank fee as a result (for example, a reversal fee), we will charge you the fee we incur and will deduct this from the card balance.
- (i) **Compliance with Terms of Use and laws:** We may reject any claim for a refund if you have not complied with the Opal Terms of Use, the Opal Digital Card app Terms of Use, or this Opal Refund and Balance Transfer Policy, or if we have reason to suspect that an offence under any law may have been or may be committed.
- (j) **Cancelled or expired Opal Cards:** In the case of a cancelled or expired Opal Card, you must claim a refund or request a balance transfer (subject to section 4 below) within 90 days from the date on which the Opal Card expired. If you do not do so, you will forfeit the Opal Card Balance of that expired Opal Card to us.
- (k) **Lost or stolen Opal Cards:** We do not provide refunds for lost or stolen physical Opal Cards, but if a reloadable Opal Card is registered you may obtain a balance transfer in accordance with section B below. The unused Opal Card Balance of a lost or stolen unregistered Opal Card is not protected so you will not be able to arrange for a refund or balance transfer of a lost or stolen unregistered Opal Card.
- (l) **Option for a balance transfer:** If your Opal Card is registered, you can obtain a balance transfer instead of a refund in accordance with section B below.
- (m) **Refund to the cardholder only:** We will only make a refund to the person to whom an Opal card belongs, unless you are applying for a refund on behalf of a deceased estate or are the parent or guardian of an Opal card belonging to a child under the age of 16. This is the case even if another person has added value to that Opal card.

- Transfer to a registered Opal Card:** A balance transfer can only be made from the Original Opal Card to another Opal Card registered under the same customer profile.
- Your co-operation:** You must do all that is necessary to obtain and register another Opal Card under the Original Opal Card's customer profile to enable the balance transfer to be made.

- (i) **Lost or stolen cards:** We do not provide adjustments on balances of lost or stolen physical Opal Cards, but if a reloadable Opal Card is registered you may obtain a balance transfer in accordance with section B above. The unused Opal Balance of a lost or stolen unregistered Opal Card is not protected so you will not be able to arrange for an adjustment to the balance of a lost or stolen unregistered Opal Card.
